

### **REMARKS**

The attached second Rule 132 Declaration is submitted to correct the inadvertent typographical error concerning "a sheet having 6 pictures" in the first Rule 132 Declaration filed with the Response on August 10, 2006, as pointed out in the Supplemental Response filed on August 17, 2006. Even though the typographical error should be readily apparent to the Examiner based on the context, the typographical error is corrected in pages 8 and 10 of the attached second Rule 132 Declaration for the record.

Applicants note that the sheet of 6 pictures attached to the second Rule 132 Declaration submitted herewith was a copy of the sheet of pictures shown to Example Lee and Supervisory Primary Examiner Wu during the personal interview conducted on July 26, 2006, and also a copy of the sheet of pictures attached to the Rule 132 Declaration filed on August 10, 2006.

The correction of the typographical error would not change the data and conclusion presented in the first Rule 132 Declaration filed with the Response on August 10, 2006.

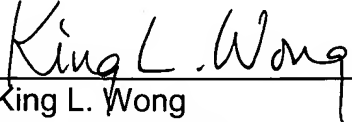

### **CONCLUSION**

With the unexpected results demonstrated in the second Rule 132 Declaration, coupled with reasons why the obviousness rejections of the claims over Jackson (US 3,847,873), Jackson in view of Aoyama (CA 2,253,515); Ridland (WO 99/28033); and Ridland in view of Aoyama should be withdrawn as discussed in the Response filed on August 10, 2006, applicants submit that the application is in a condition for allowance. A Notice of Allowance is believed in order.

In the event that the filing of this paper is deemed not timely, applicants petition for an extension of time. The Commissioner is authorized to charge the petition fee and any fees that may be required in relation to the filing of this paper to Deposit Account No. 11-0600.

Respectfully submitted,
